

## 2-Fach schwenkbar für MR16 weiß ALU Druckguss ohne Sprengring randlos

Article nr.: ALU55721

for indoor use · Material: Diecast aluminum · Easy installation of the outer frame. For installation of the frame, · the inner part can be removed and mounting clips can be adjusted by the screws · according to ceiling thickness. · 40° movable- and 360° rotating · bulb replacement by removing bayonet front ring · luminaire suitable for lamps in energy efficiency class: A++ to E · not including bulb · mounting dimensions: 179 x 93mm · size: 236 x 91mm · without low-voltage socket art.-no. : 55004 (SKIII)

### TECHNICAL DATA

Unit Code	pcs
BAR code	4012094557212
Housing colour	Weiss
Length	236.00 mm
Width	91.00 mm
Height	45.00 mm
Lamp	without
IP rating	20
Power	1-35 W
Lamp base	ohne

## 2-Fach schwenkbar für MR16 weiß ALU Druckguss ohne Sprengring randlos

Article nr.: ALU55721

### TECHNICAL DATA

Amount of LED	2
Material	Aluminium
Temperature range	to 60
Suitable light source
